Education

Namık Kemal University, Tekirdag | 2015 – 2021

Bachelor's Degree: Computer Science

Samsun Fen Lisesi, Samsun | 2010 – 2014

High School Diploma

Profile

Focused and highly motivated Computer Scientist with an aptitude for learning new technologies. Dedicated to becoming a master and passionate about problem solving and engineering solutions in many facets of the art.

Experience

Full Stack Developer | 2021.09 – Current

Cesar Group

- Maintained large scale business management WebApps using **.NET MVC**.
- Developed many back-end **RESTful APIs** and front-end panels to transmit data.
- Proficient with **MS-SQL, T-SQL, Indexes, Stored Procedures**, etc.
- Designed and implemented websites from scratch by using **Tailwind CSS** and **React.js**.
- Debugging for logical & syntactical errors; optimizing components for efficiency, speed and scalability according to users' feedbacks.

Personal Projects

MovieDB App | [Live Site](#) [Github](#)

- Built a Full stack Movie Database application where users can view or search movies.
- Worked with **React.js, Node.js, Express.js**.
- Created REST API service with Express in backend.
- All stylings made from scratch as fully responsive with **TailwindCSS**.

MoviesGuess | [Live Site](#) [Github](#)

- MoviesGuess is web-based multiplayer game where users try to guess the movie from given picture frame in a synchronous game lobby.
- Used **Socket.io** to achieve bidirectional communication between client and server.
- Handled state changes of lobby and user statuses with **React.js** in frontend.

Personal Portfolio | [Live Site](#) [Github](#)

- Designed and developed personal portfolio from the rough to display my works and contact information.
- Used Tailwind to rapidly design the desired UI.
- Fully mobile and tablet responsive.

Software

Frontend Development

React.js, Node.js, JavaScript, TailwindCSS, HTML

Backend Development

Node.js, Express.js, C#, .NET, RESTful API, MS SQL, T-SQL

Development Tools

VS Code, Git, Azure

Languages and Others

English Fluent (C1/C2)
YDS2021 – 88
